FALL 2020 COLLECTION

Hello!

Leading up to the launch of our newest Fall 2020 collection, I had no idea that our world would be turned upside down from the COVID-19 virus pandemic. As always my team works to bring fresh new designs that inspire from the inside out. While we traverse through this new landscape of social distancing and how we attend events, it is my hope that we will not lose our sense of self and creativity in what helps us feel beautiful.

Explore a mixed collection of drama, pop colors, and decadent details as you browse, notate, and choose your favorite new styles!

Thank you for allowing me to design fabulous styles season after season. Offering our authorized retail stores a brand that is very personal is truly my life's work and passion. My amazing team and I could not do this without your support, again thank you.

Best Regards,
